This is a great opportunity for your child(ren) to participate in a wonderful program through our church, and we're excited to share Sunday mornings with them. The ability to provide a meaningful and impactful church school is a blessing for all, and it's made possible by the generosity of our church family. As a congregational church, we the membership are the sole source of funding for all our programs and services to ourselves and the community. Through generous donations and members' pledges, we are able to be God's loving hands in the world. We invite you to join many other members and make a financial pledge for the upcoming year. More information will be coming soon about our 2020 pledge drive, and we also have electronic giving capabilities to make it even easier for you to participate. In the meantime, if you'd like to make a donation please visit the "Giving" link on our home page at www.ucctolland.org. Thank you for your support, and we once again welcome your child(ren) in our programs. We hope it's a great year for all!
